# Cahier de jeux éducatifs

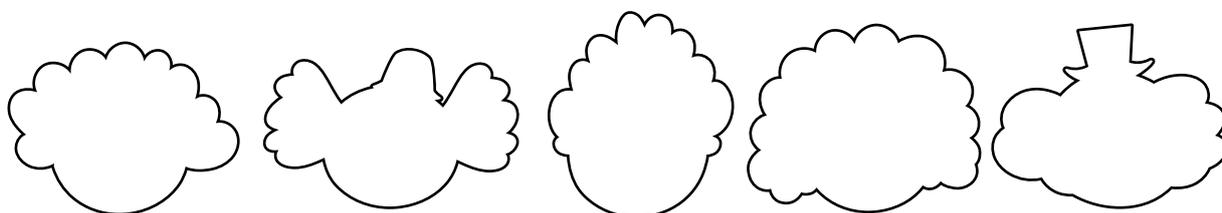

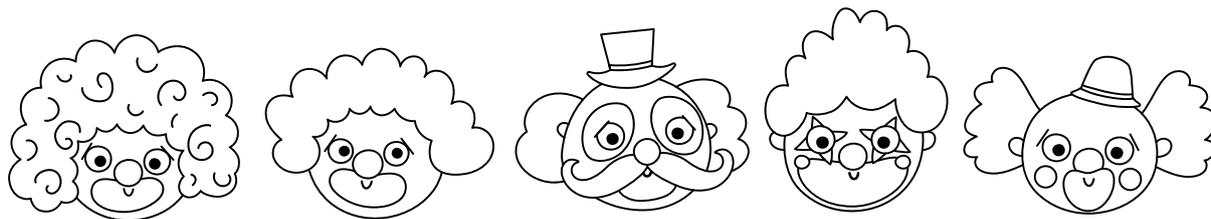

Colorie le dessin.

[lululutaube.com](http://lululutaube.com)

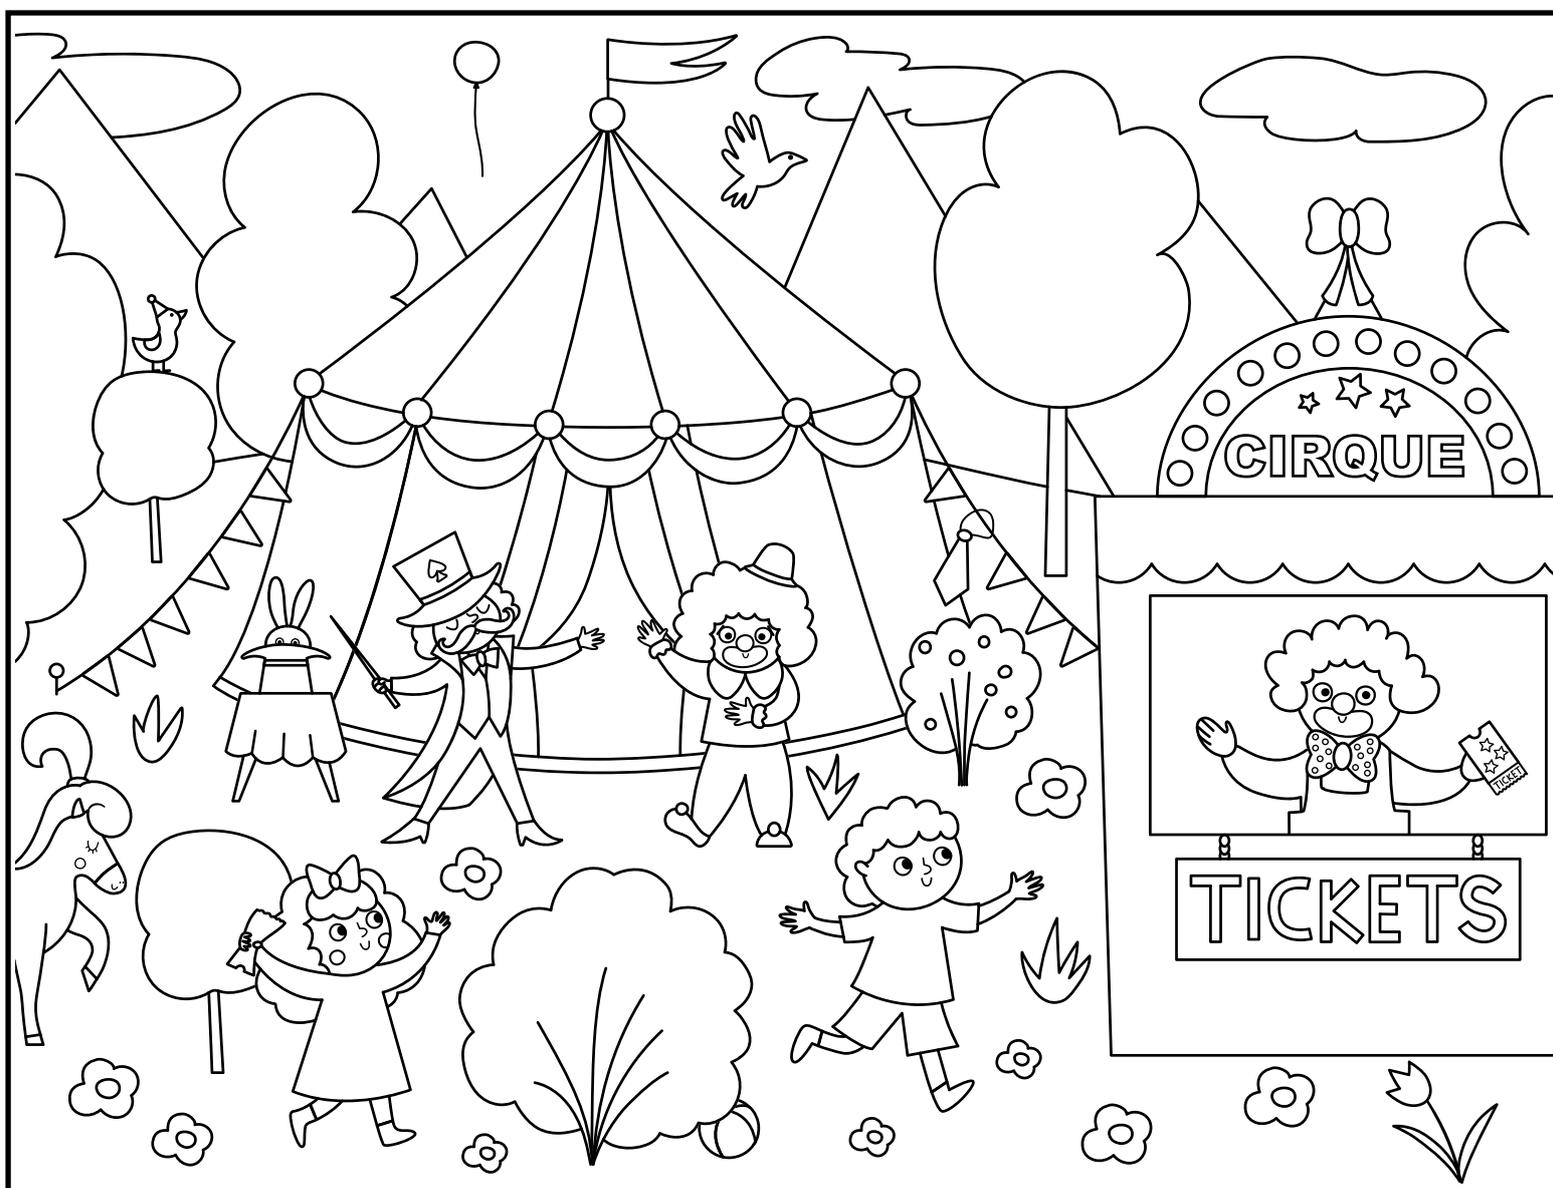

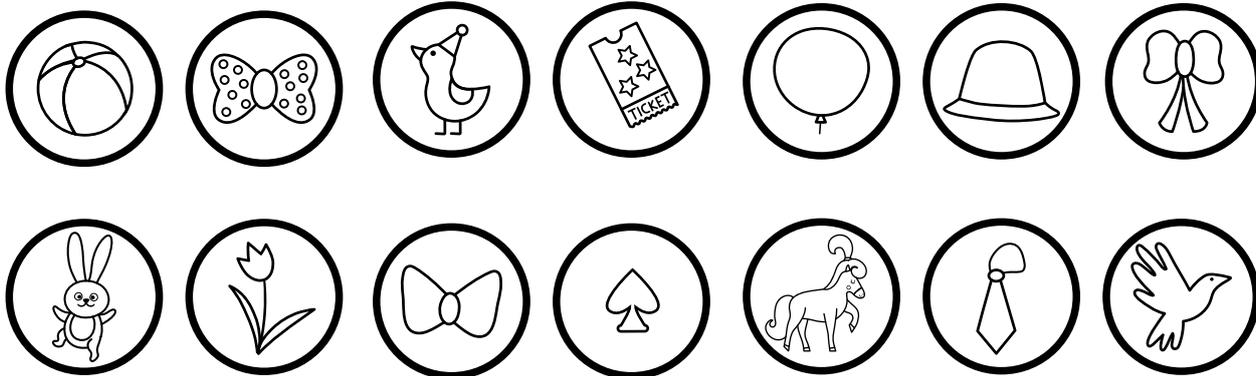

Aide le clown à rejoindre le chapiteau.

Relie chaque clown à sa silhouette.

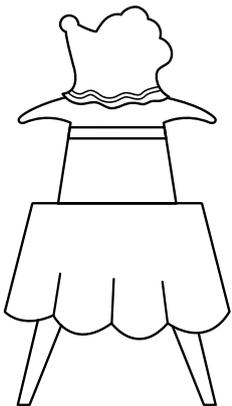

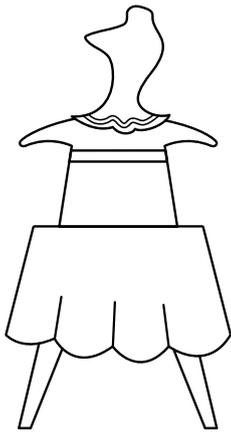

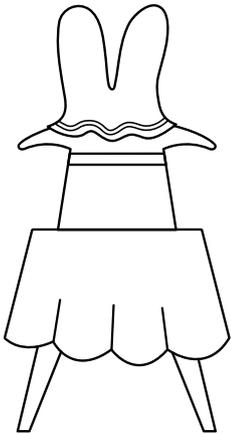

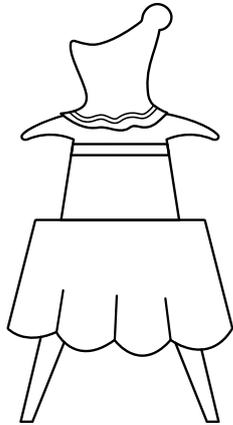

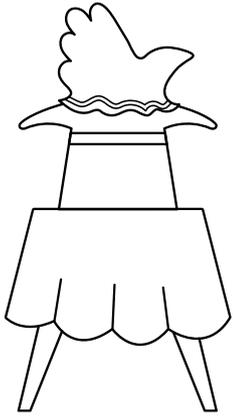

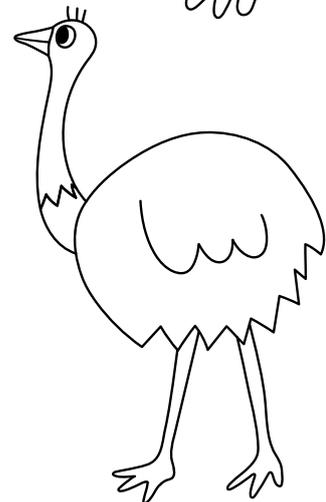

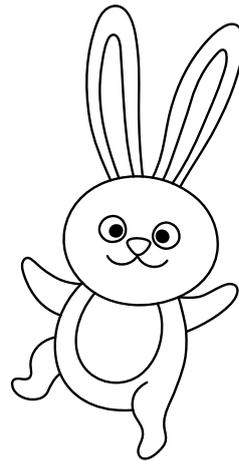

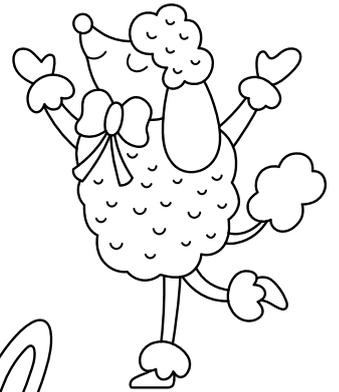

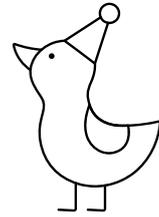

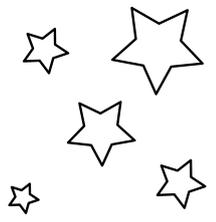

Trouve les objets ci-dessous dans l'image. Entoure-les.

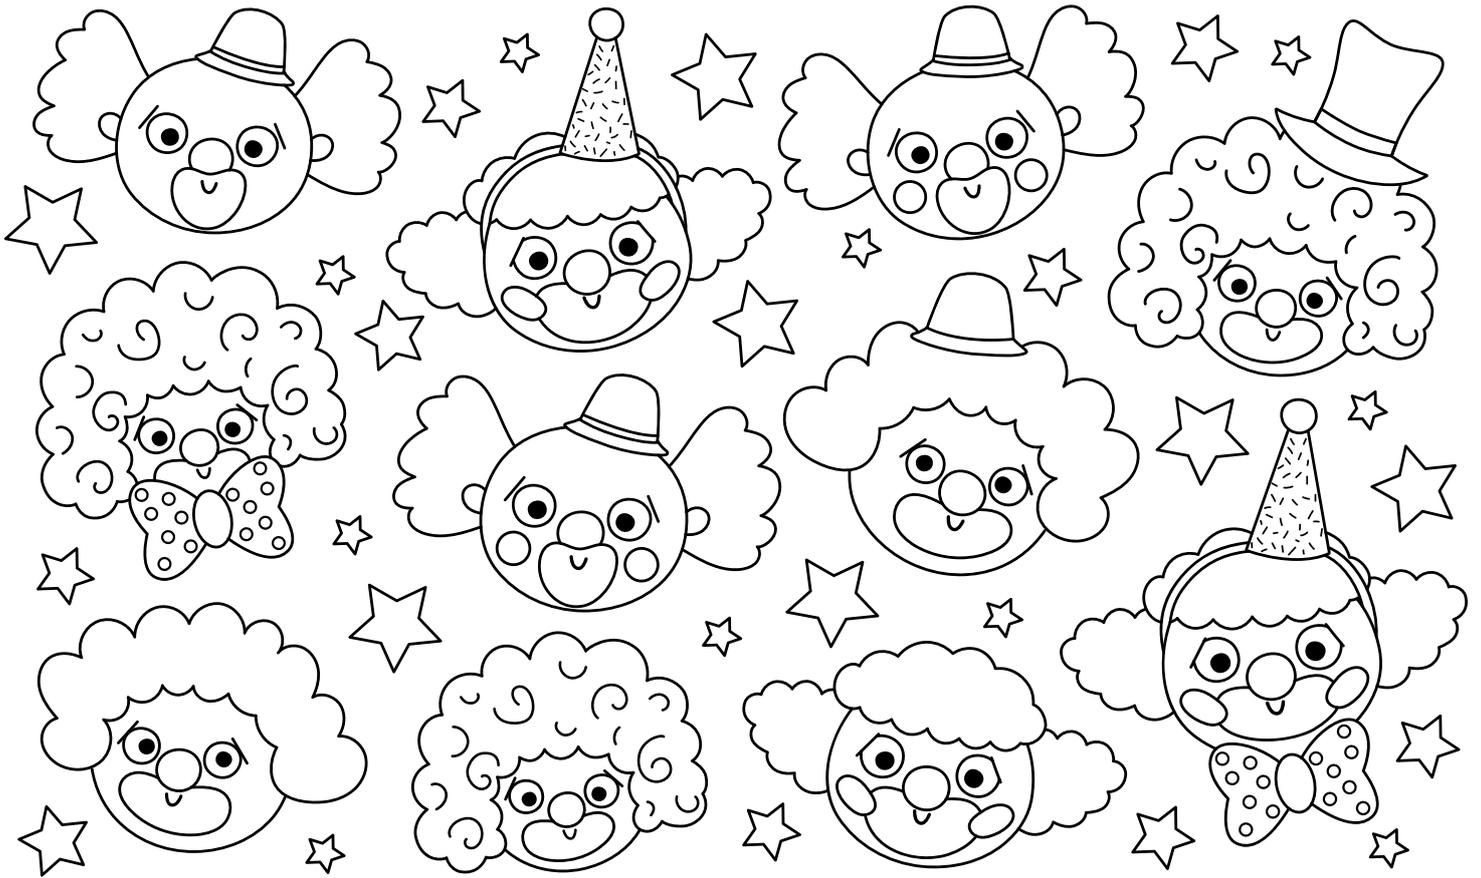

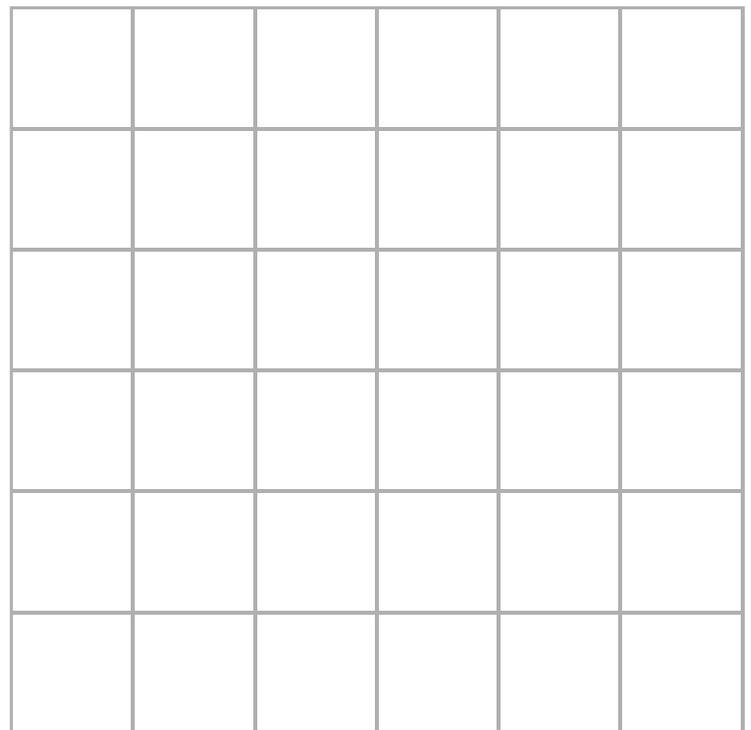

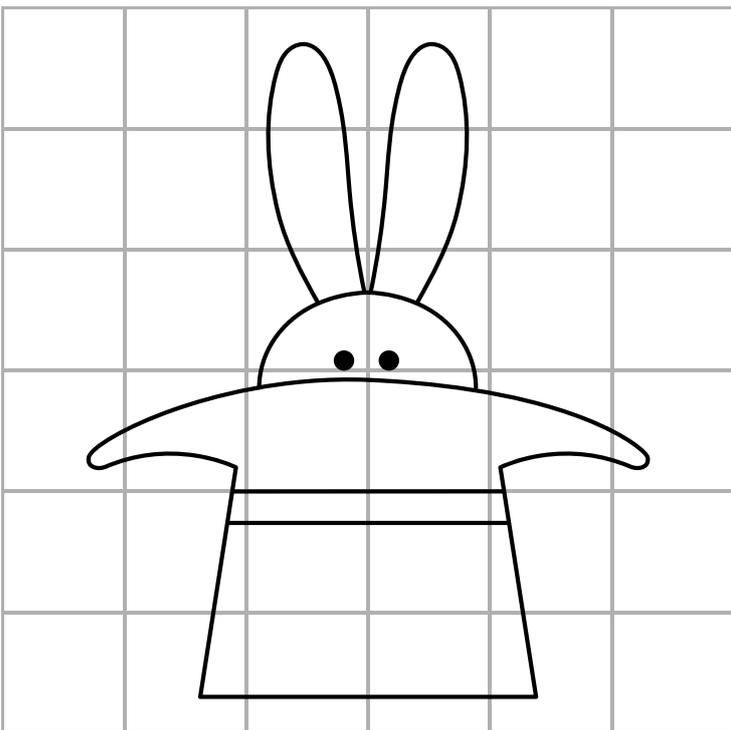

Le magicien a placé des animaux dans les chapeaux.  
Relie chaque animal au chapeau qui correspond.

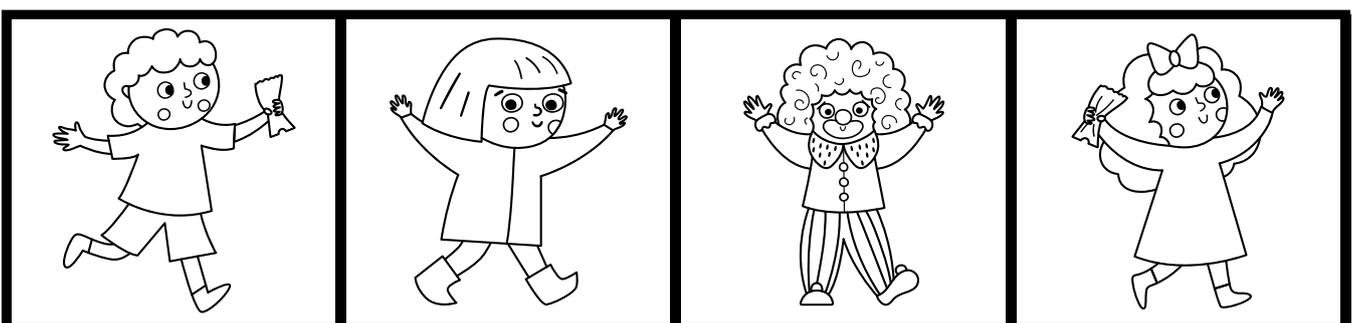

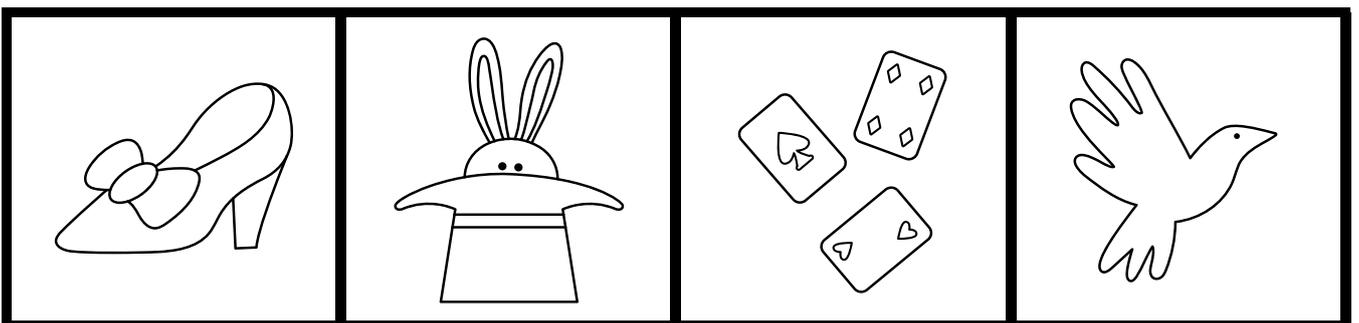

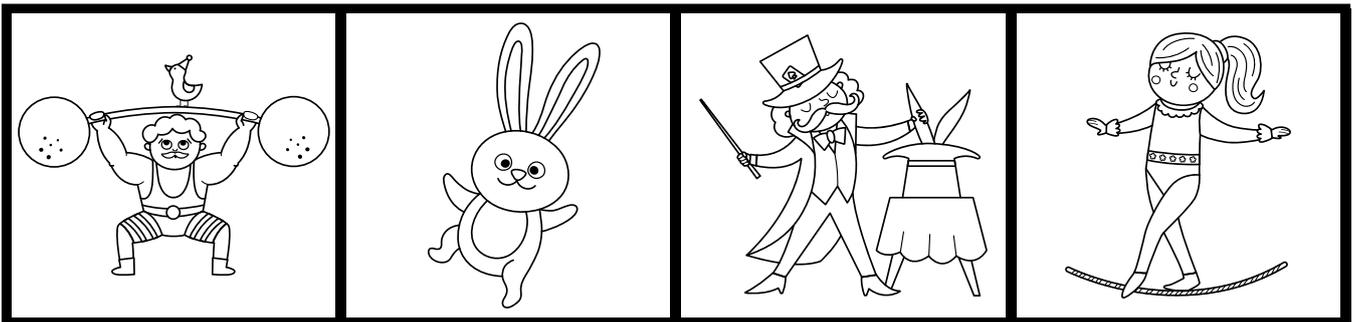

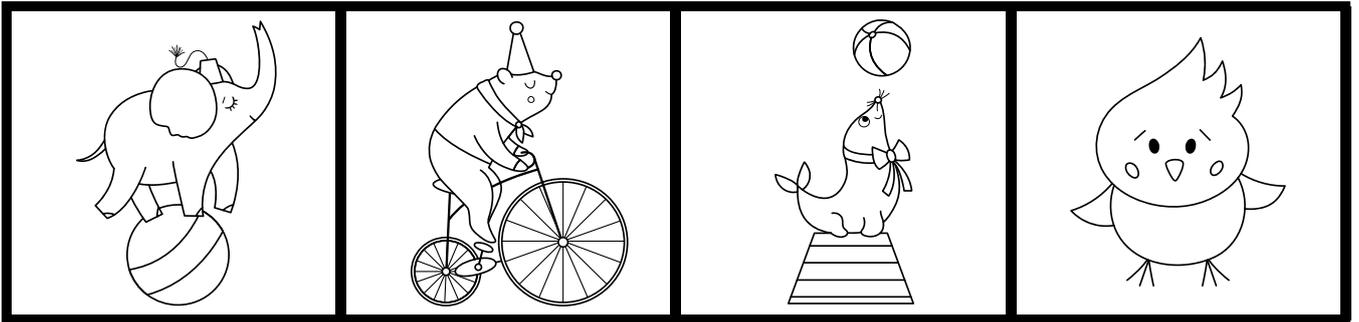

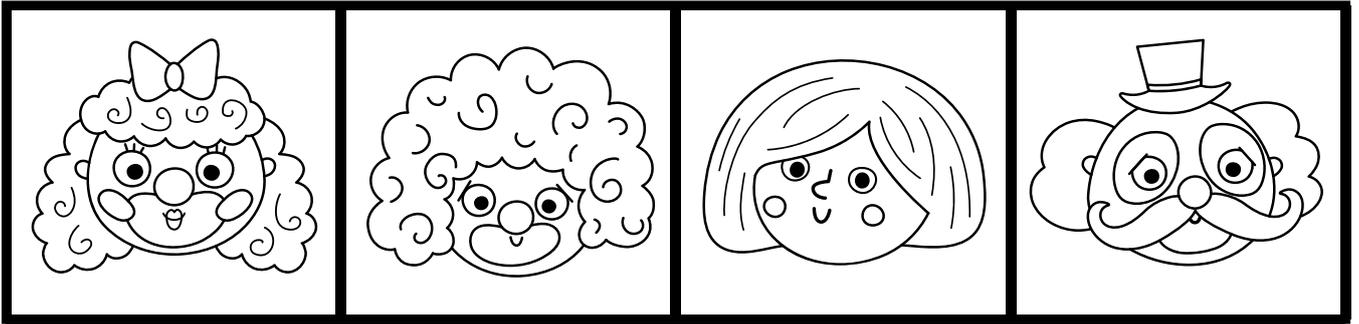

Colorie les 2 visages identiques.

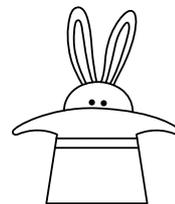

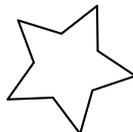

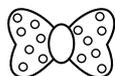

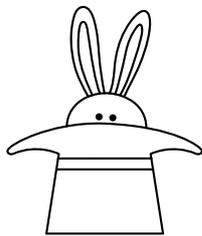

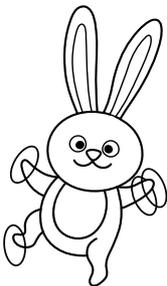

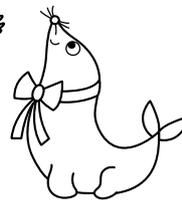

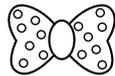

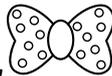

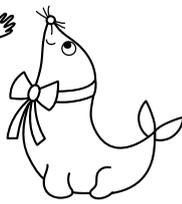

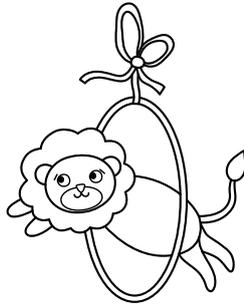

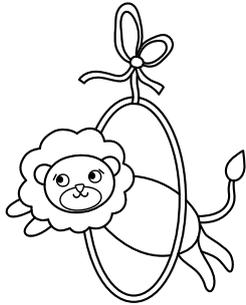

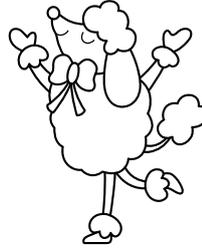

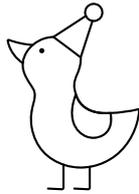

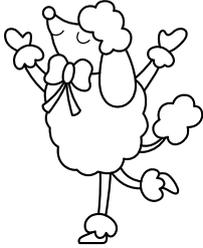

Dessine le chapeau et le lapin dans le quadrillage à droite.

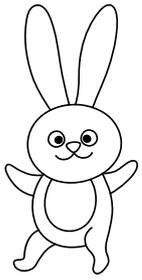

Trouve l'intrus de chaque ligne.

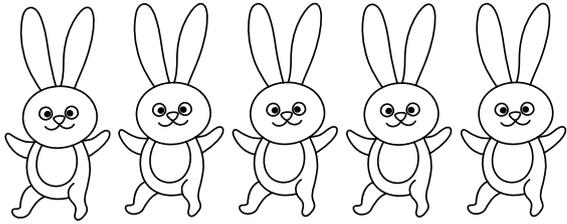

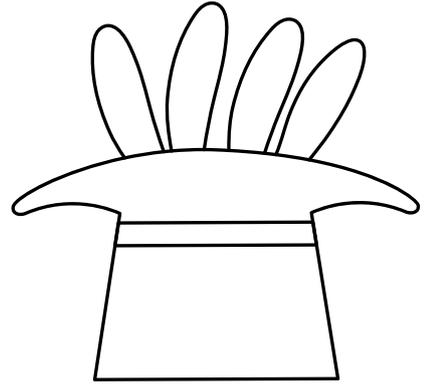

Découpe les cartes qui sont en bas de la page et colle-les au bon endroit pour obtenir des suites logiques.

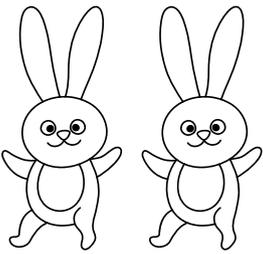

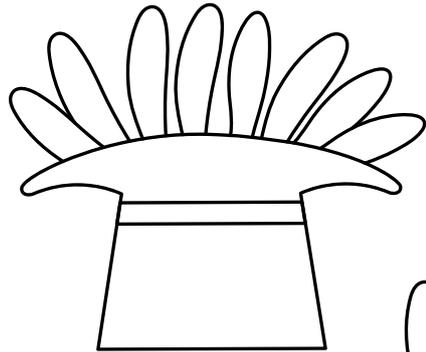

Associe chiffres et quantités en suivant l'exemple.

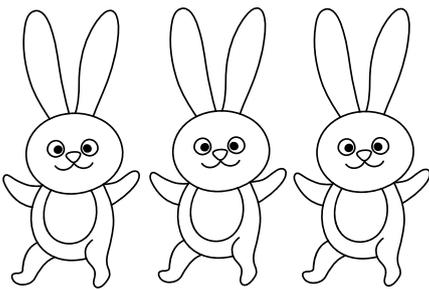

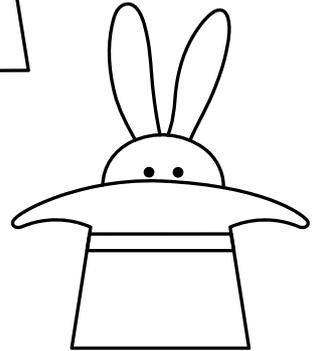

4

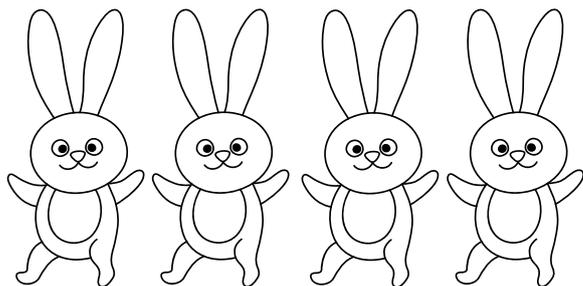

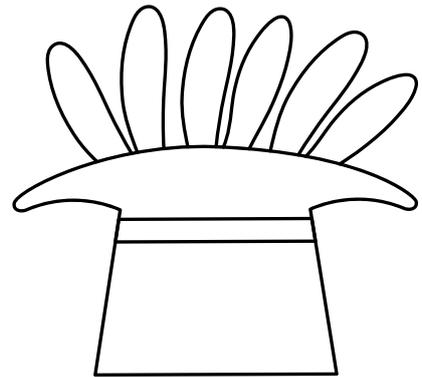

2

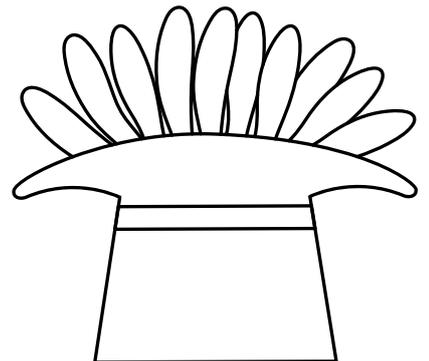

5

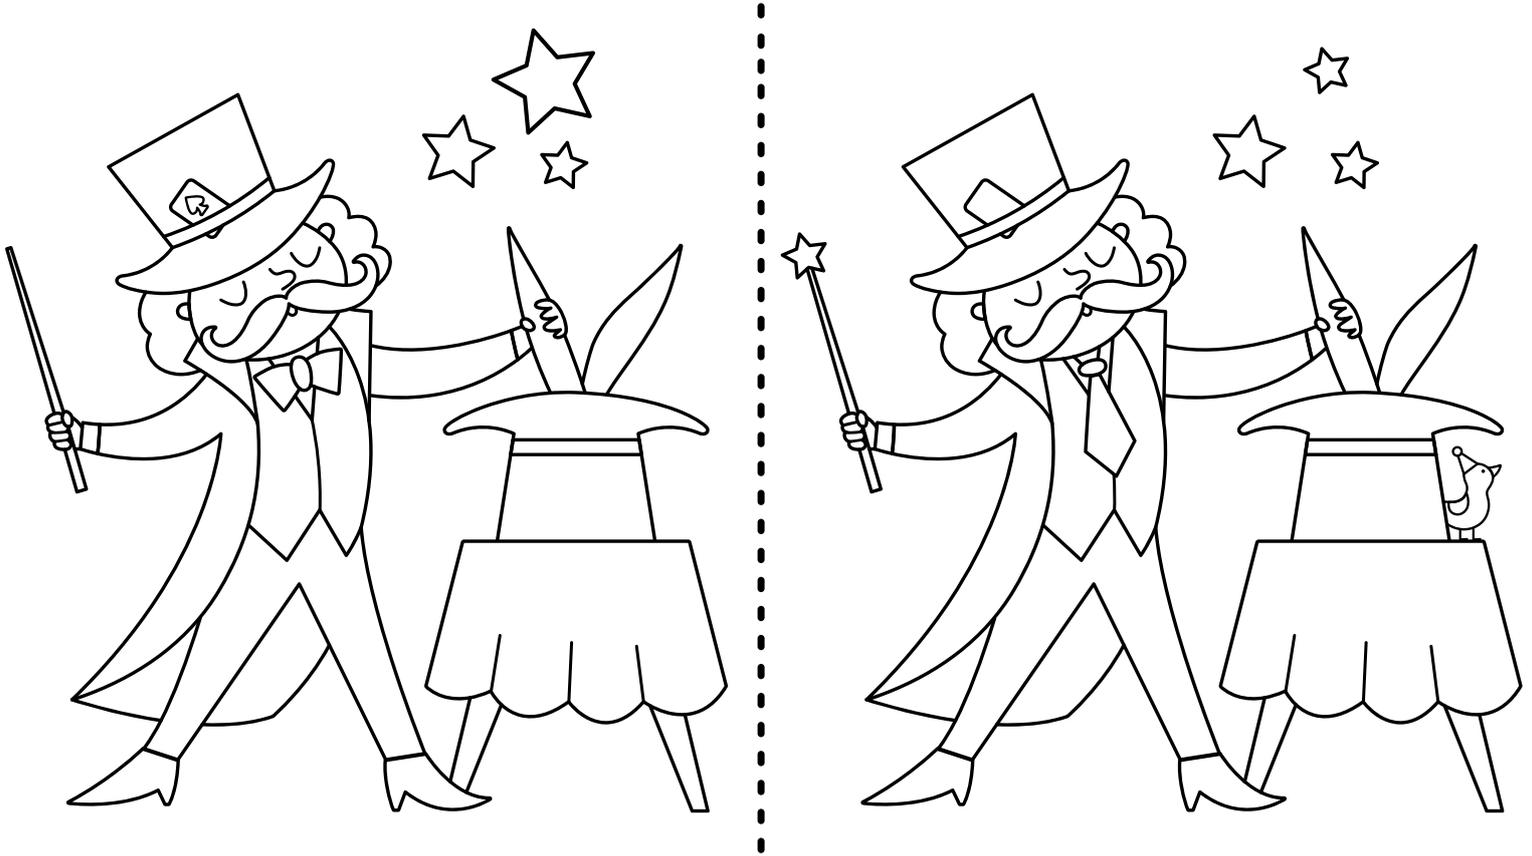

1

3

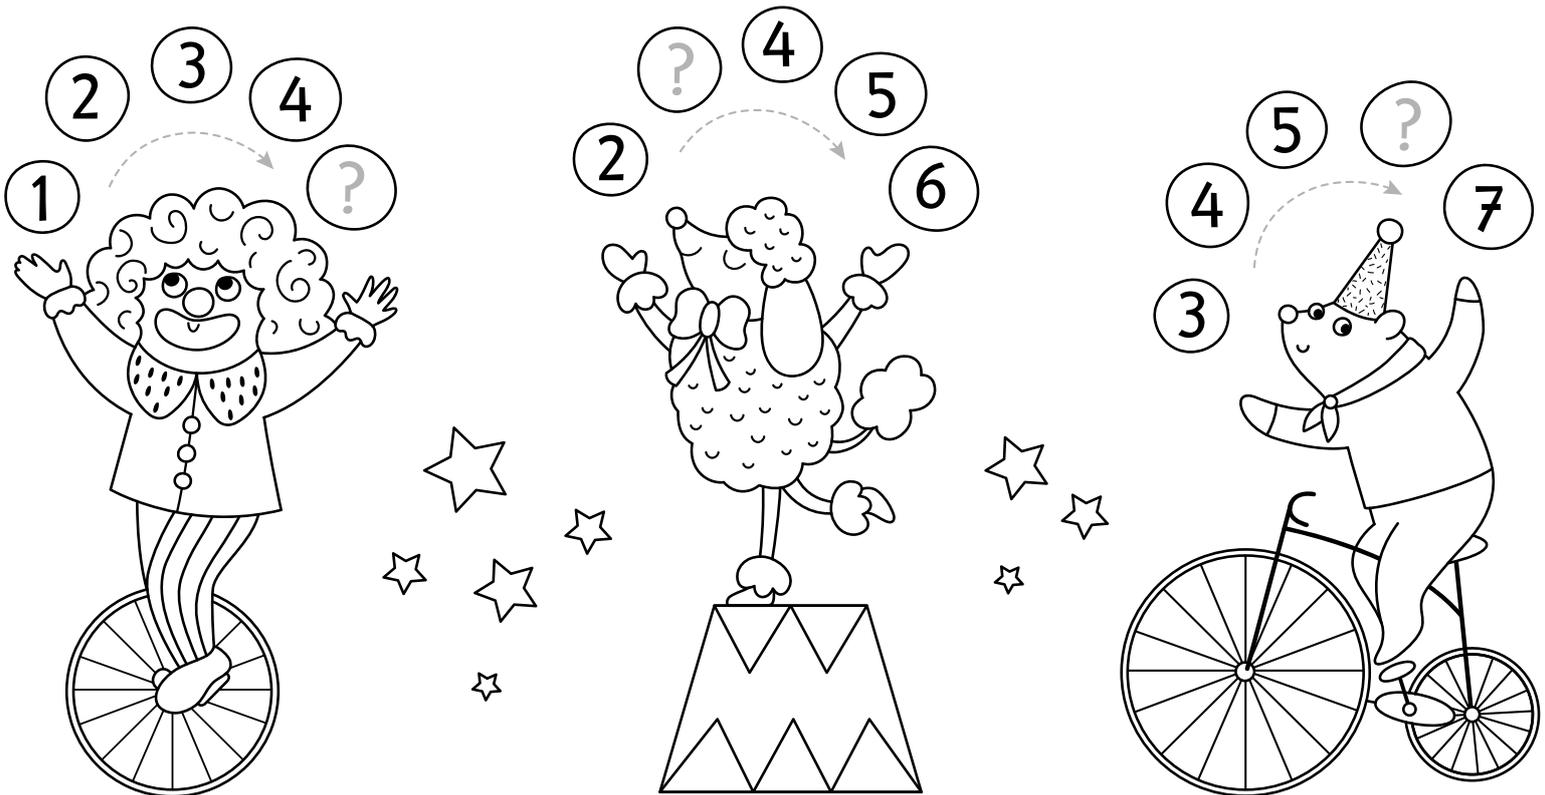

Trouve **5** différences.

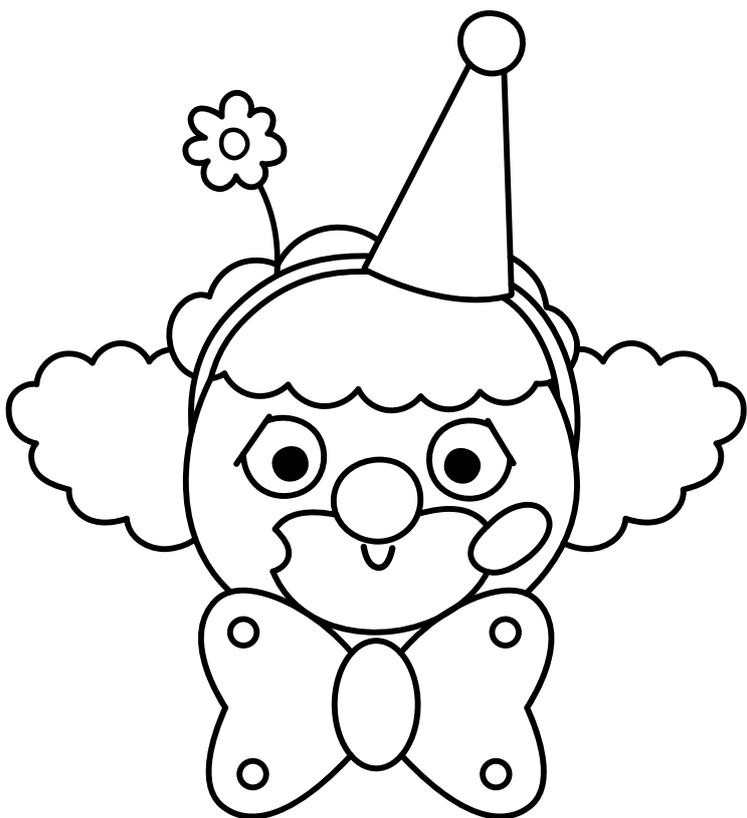

Inscris le chiffre qui convient à la place du point d'interrogation.

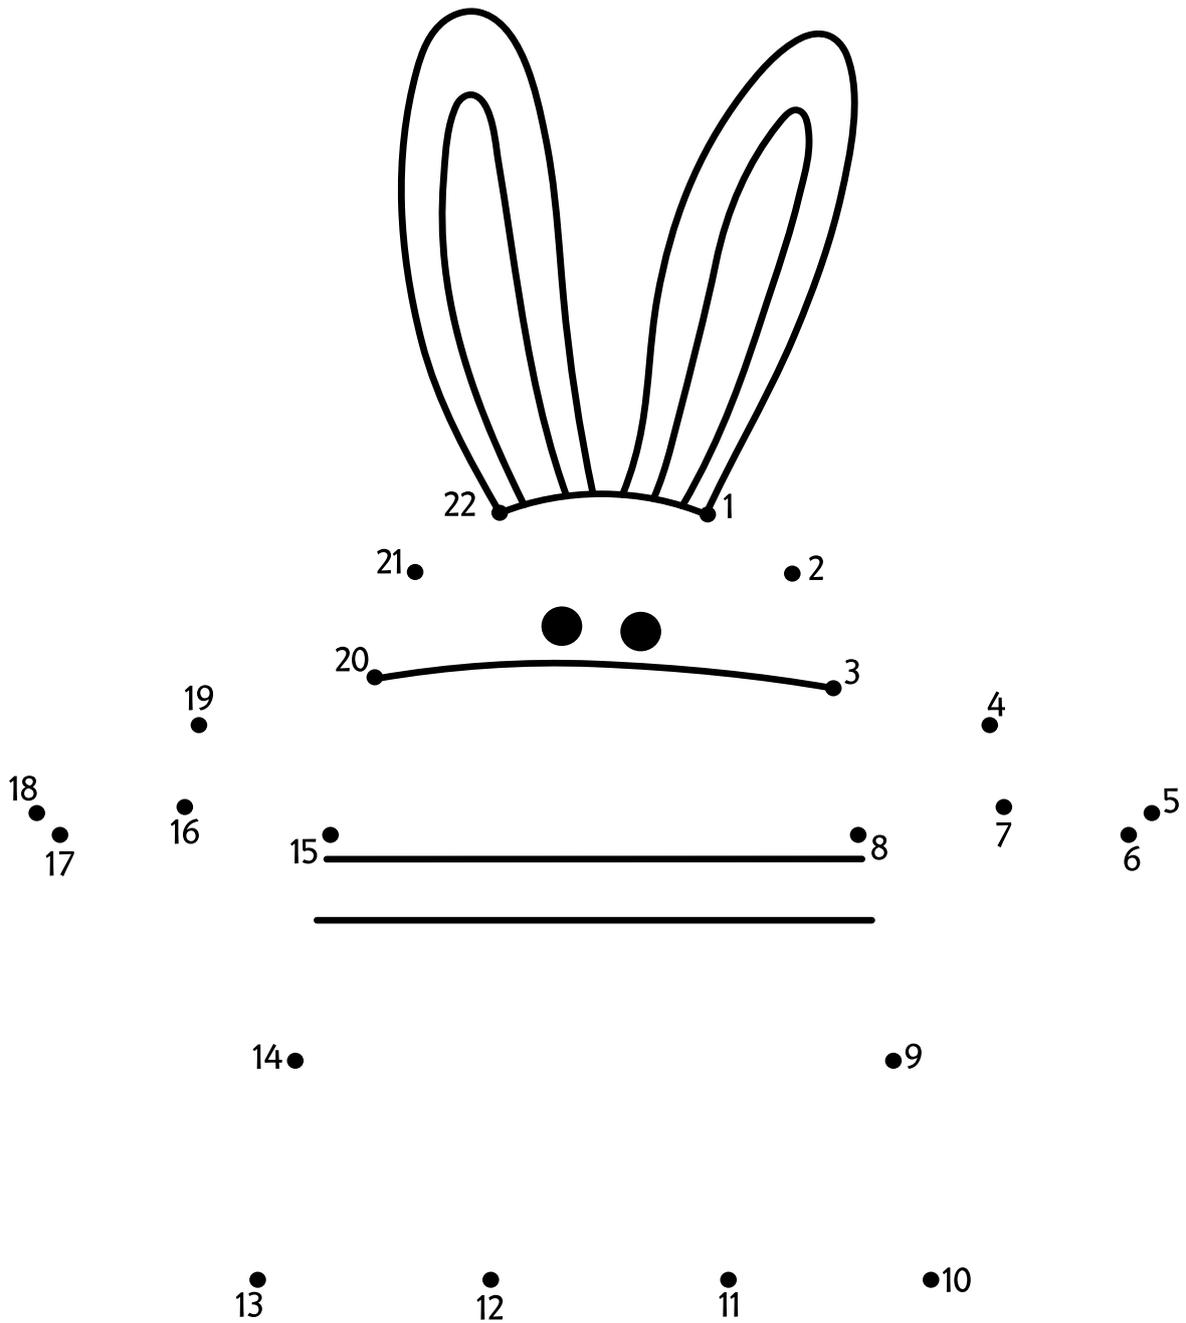

1 2 3 4 5 6 7 8 9

Complète les visages pour qu'ils soient tous identiques.

Relie les points de 1 à 22.

Coloriage

Colorie le dessin en suivant le code ci-dessous.

vert

bleu clair

orange

bleu foncé
