

# CAHIER DE JEUX DES NAINS

et activités pour enfants

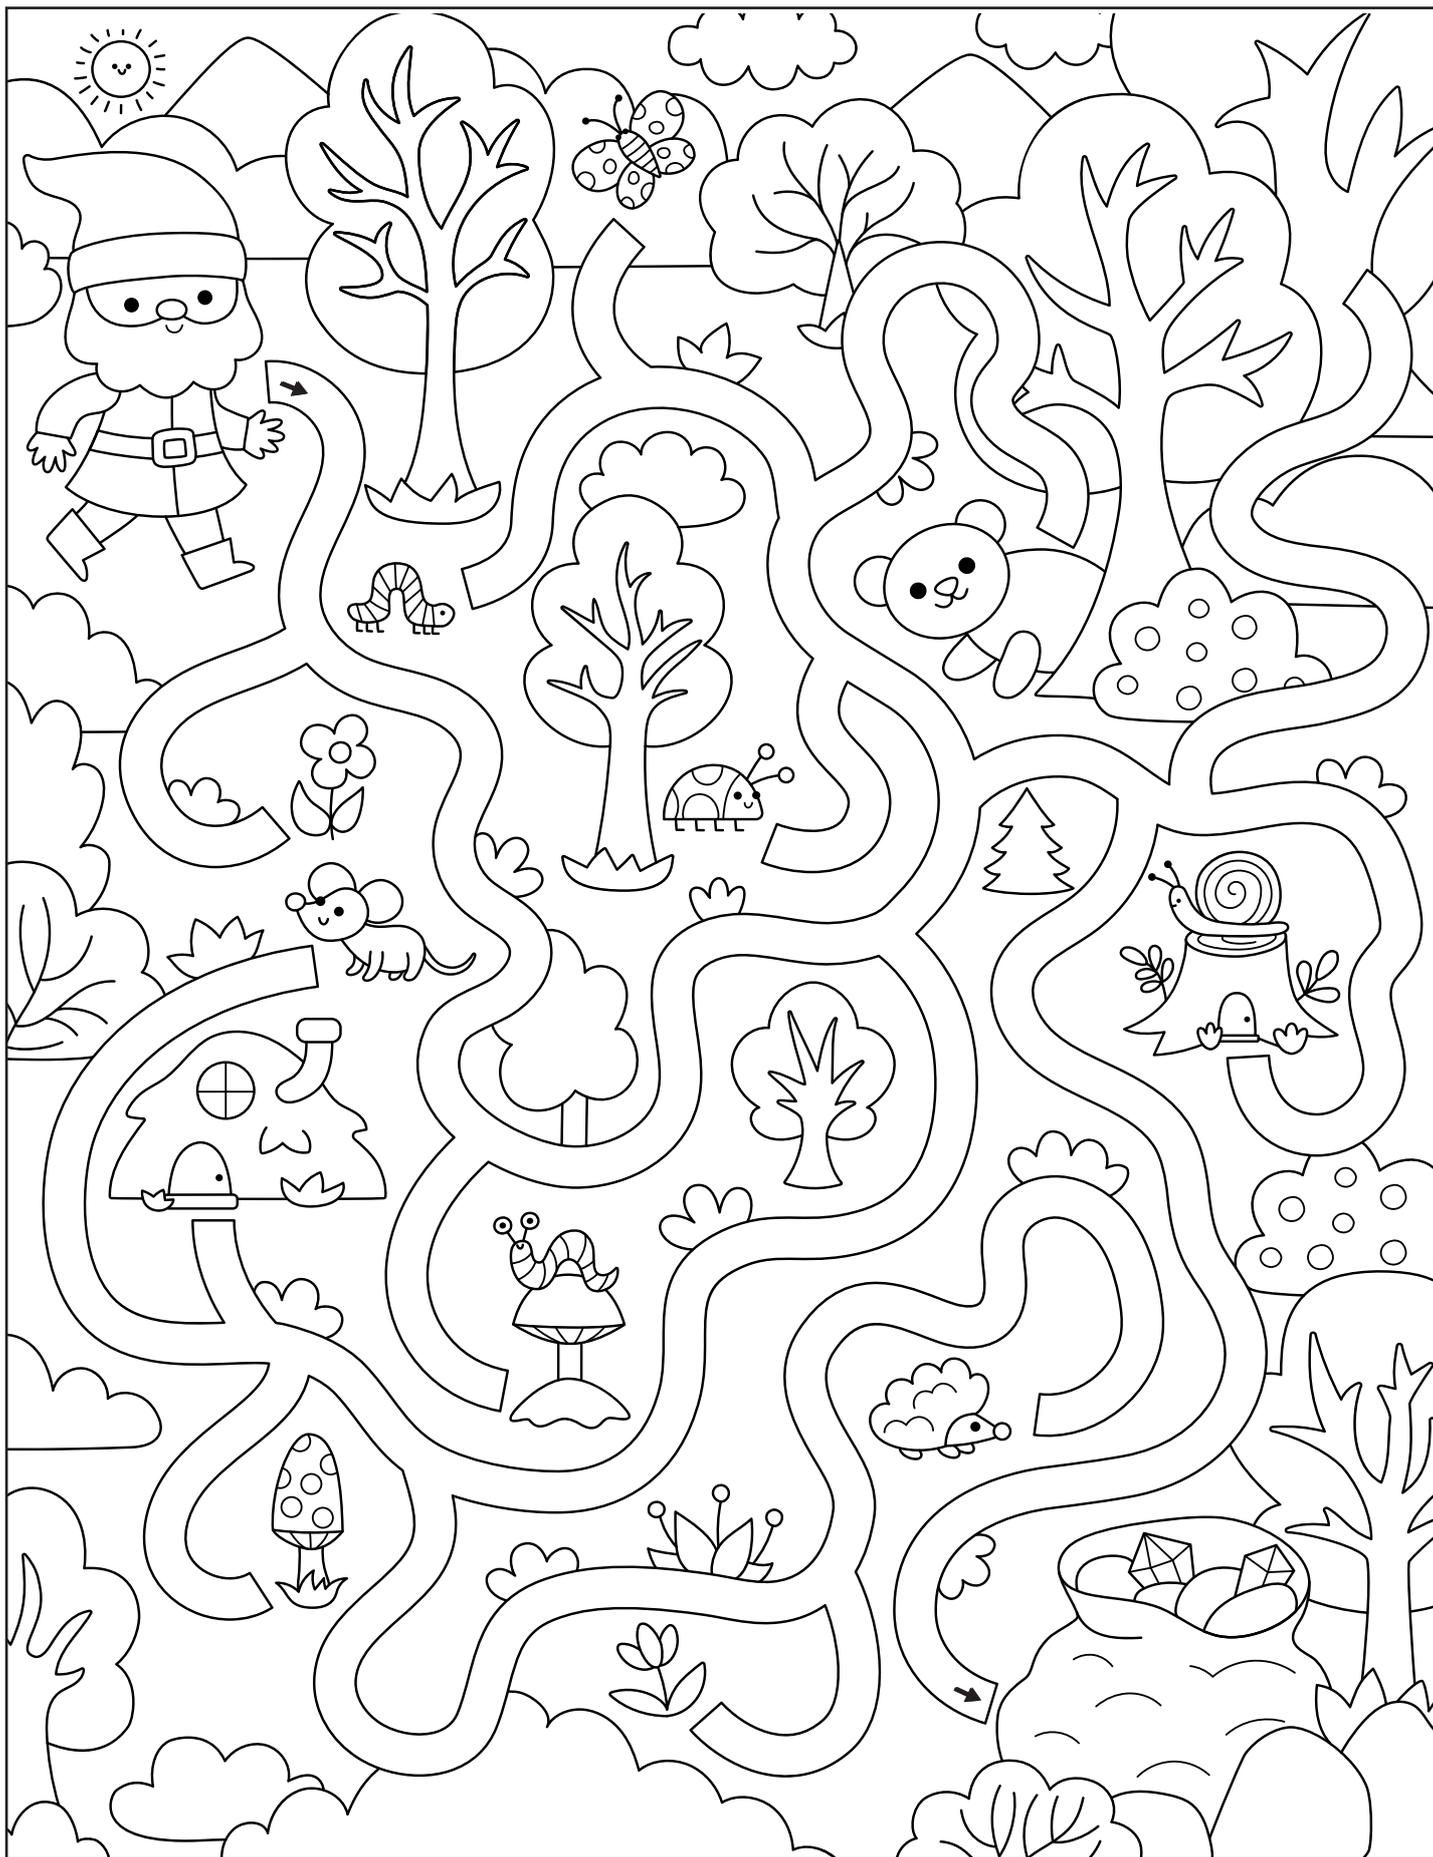

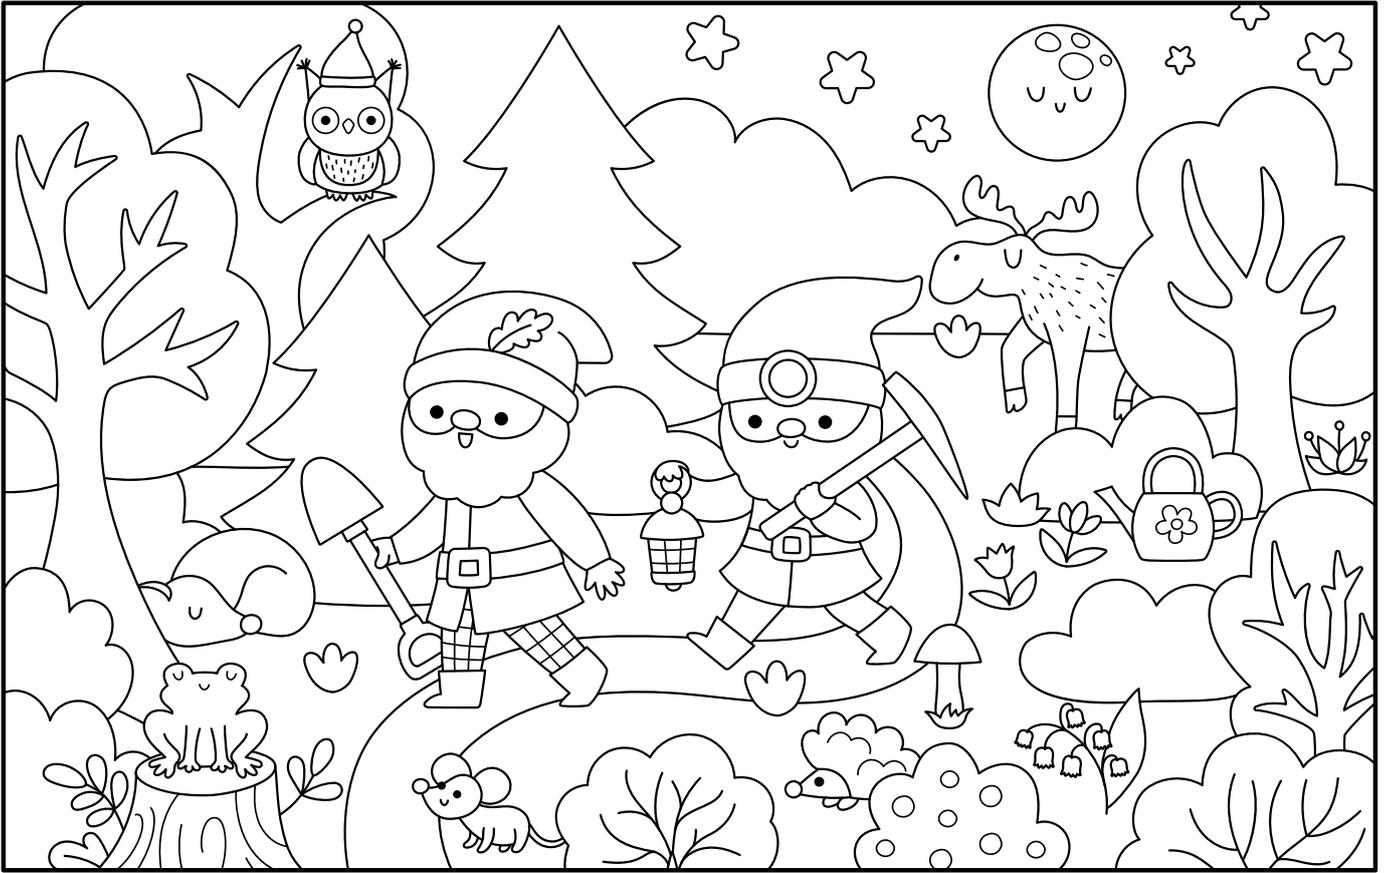

Aide le nain à trouver 10 pierres précieuses dans la mine.  
Entoure-les.

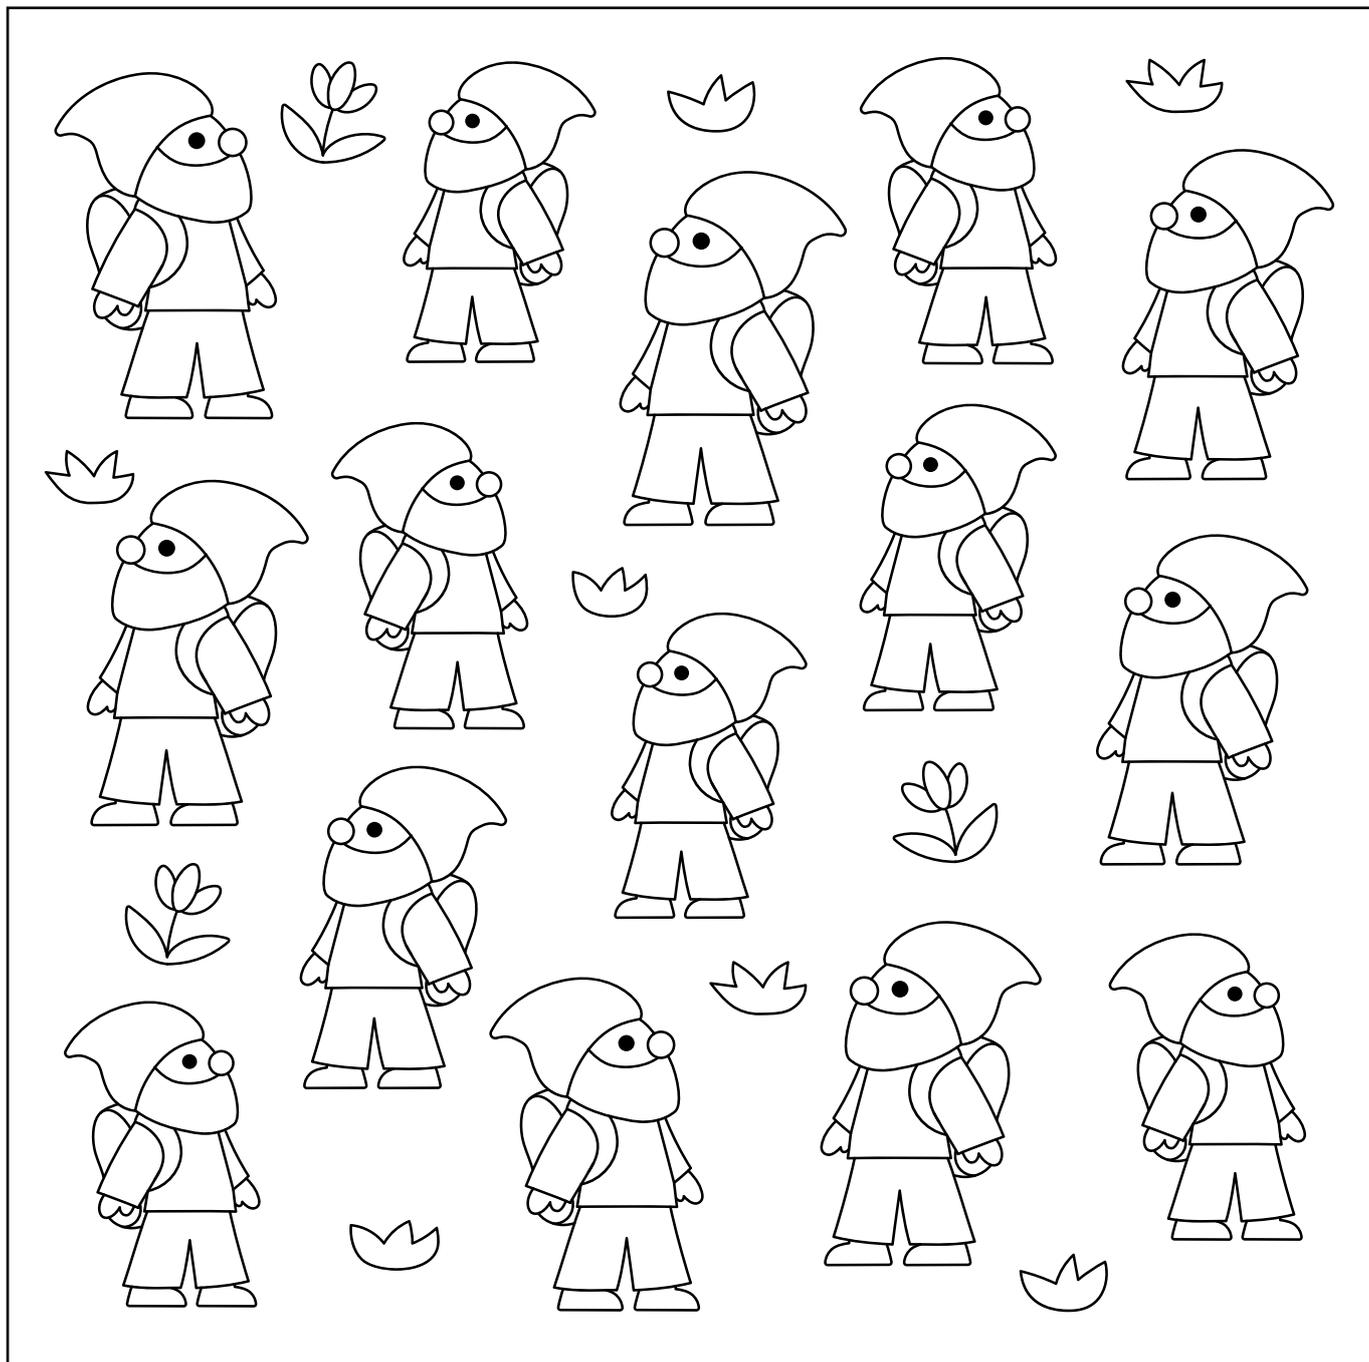

Aide le nain à trouver le chemin qui le conduira au sac avec le trésor.

Trouve 10 différences entre les deux dessins.  
Entoure-les sur le deuxième dessin puis colorie le 1er dessin.

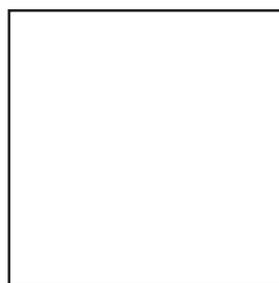

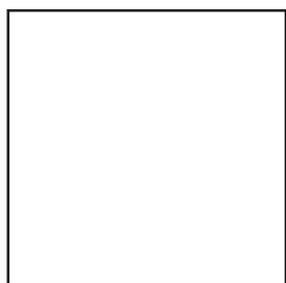

Colorie en **bleu** les bonnets des nains qui se dirigent vers la droite → et  
en **rouge**, les bonnets des nains qui vont vers la gauche ←.  
Compte les nains et inscris le nombre en bas dans les carrés.

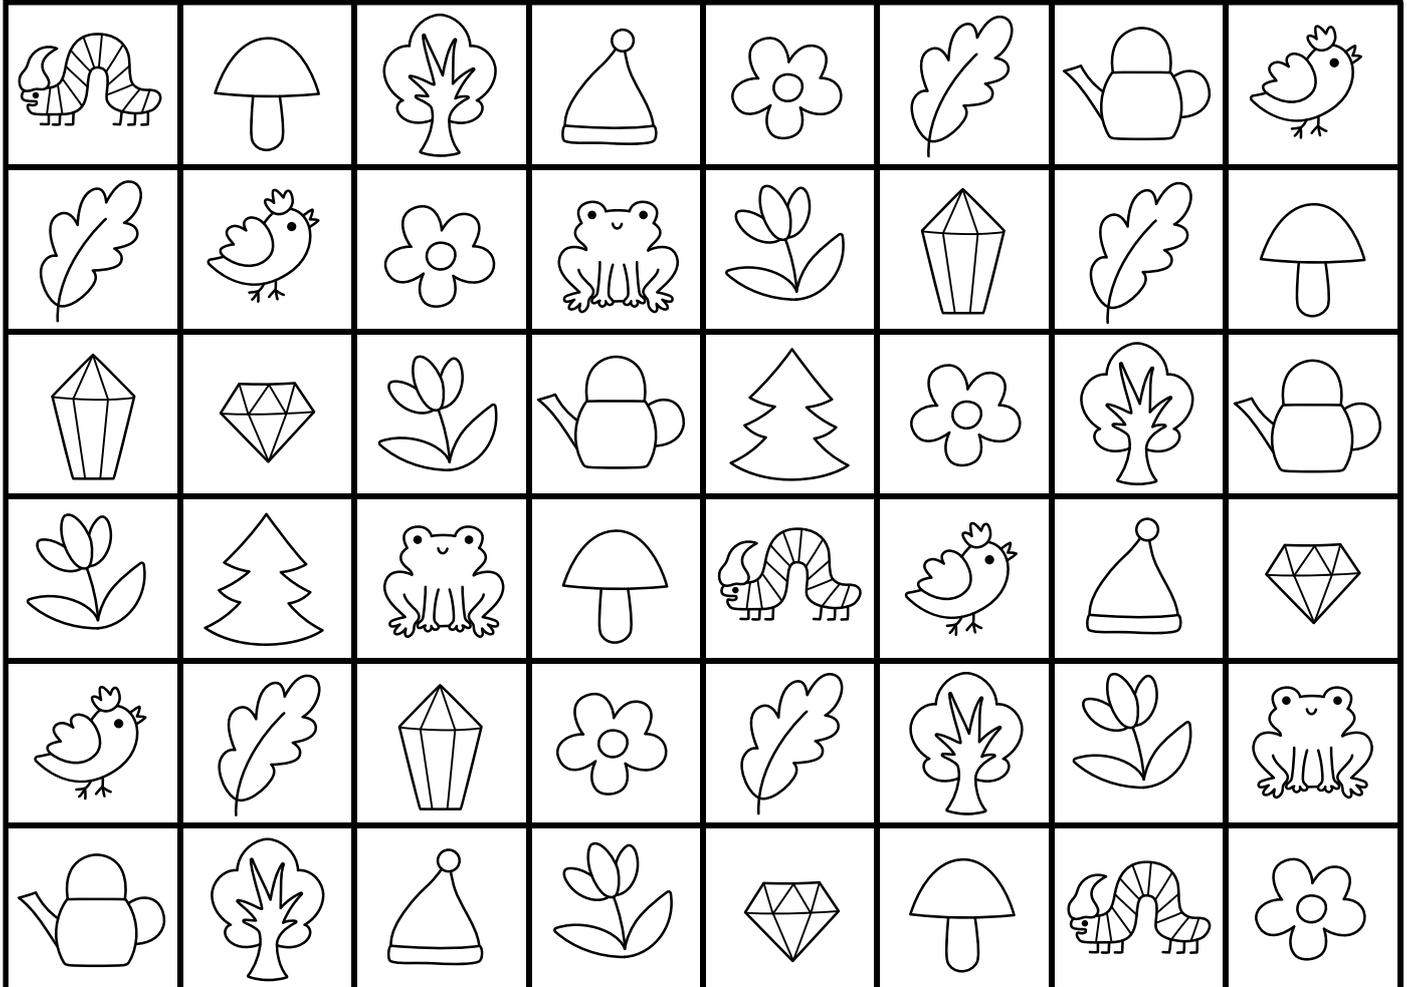

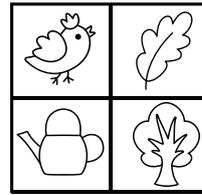

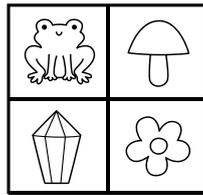

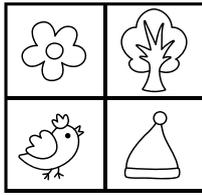

GAUCHE

DROITE

Trouve et encerle les 3 groupes de dessins dans le grand tableau.

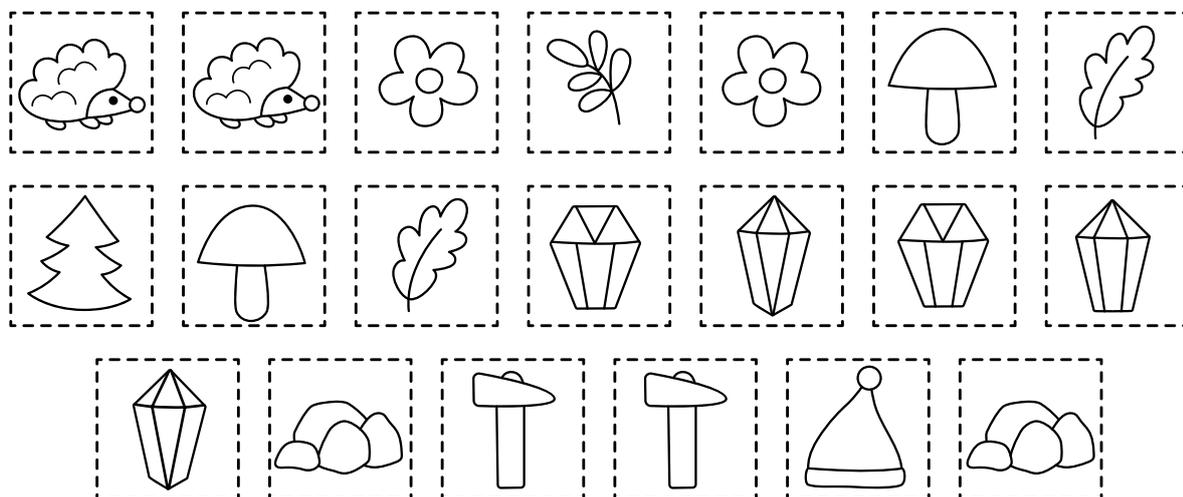

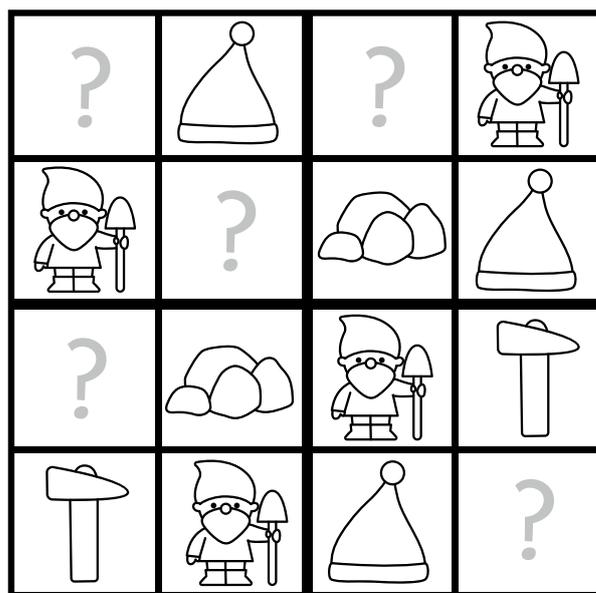

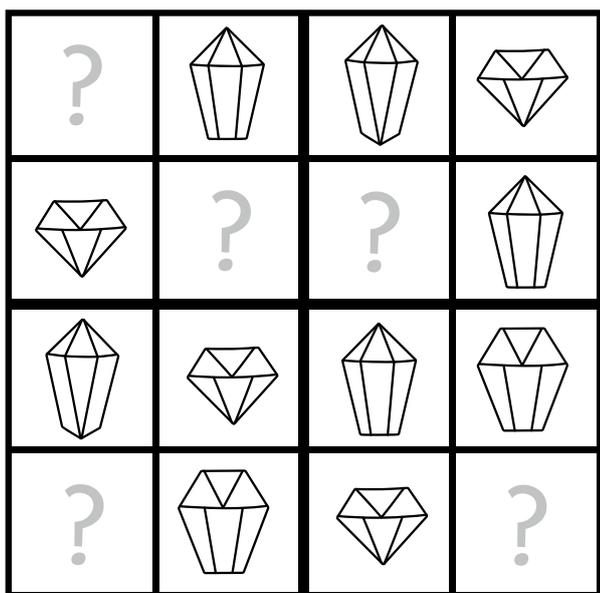

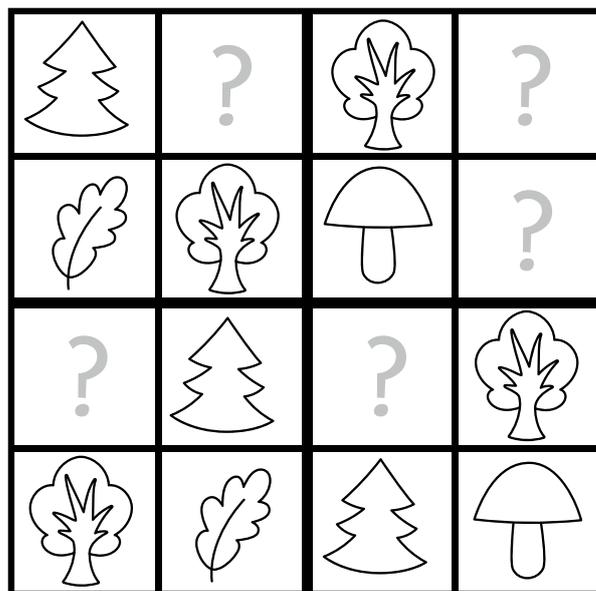

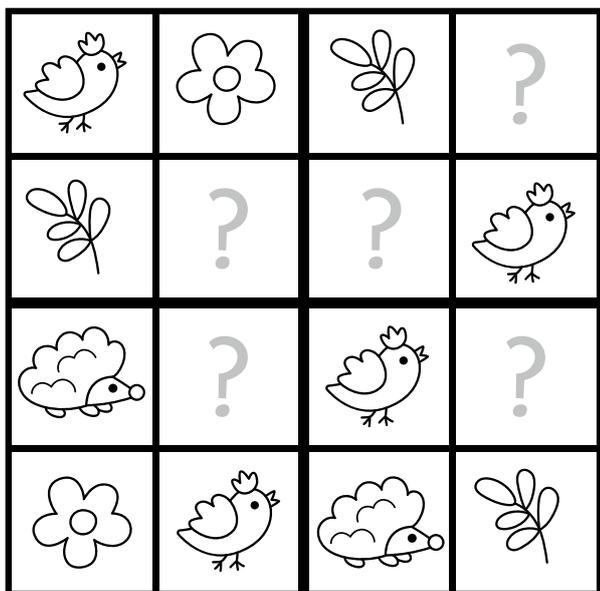

Coloriage

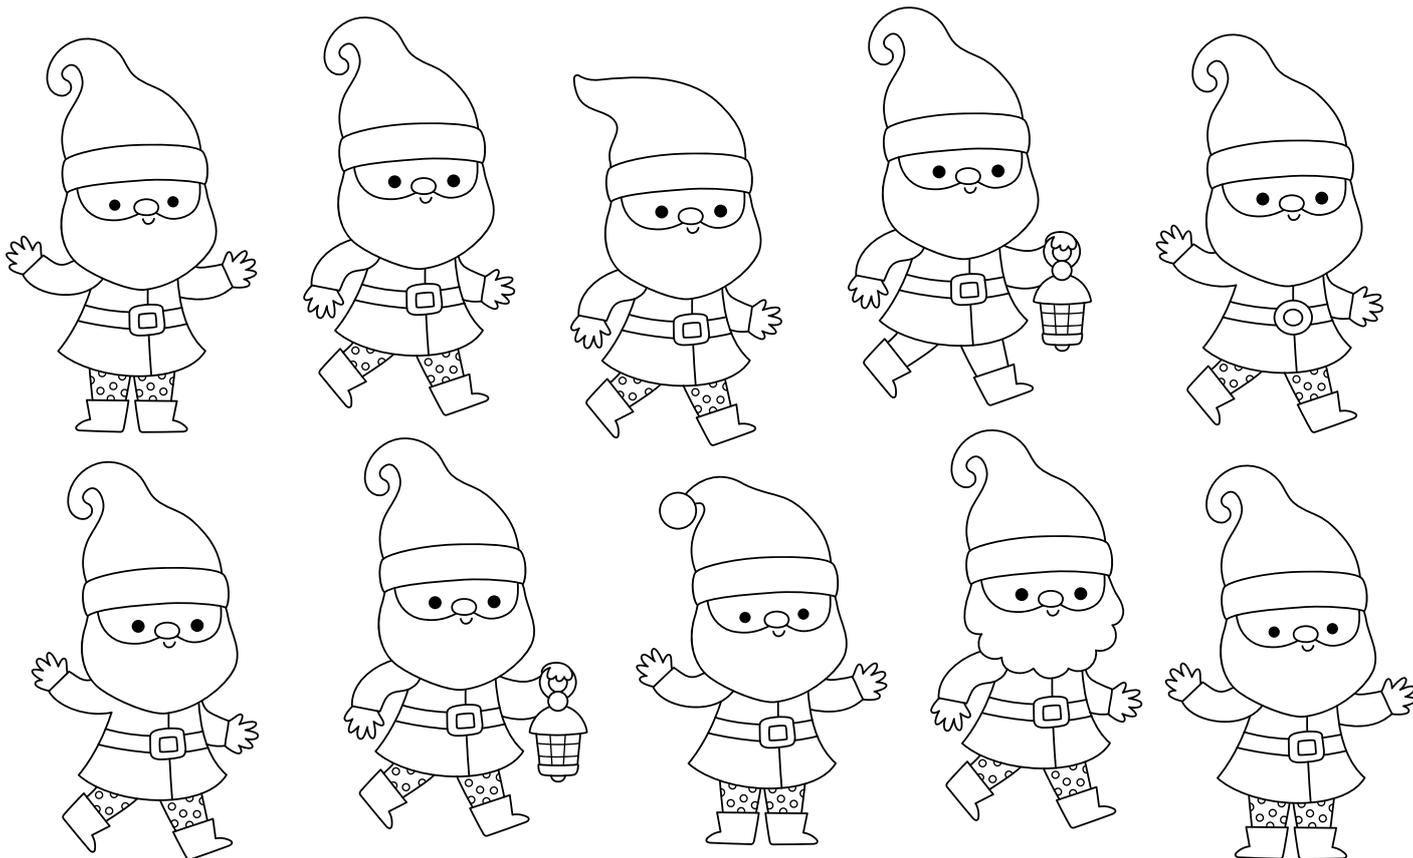

# SODUKU

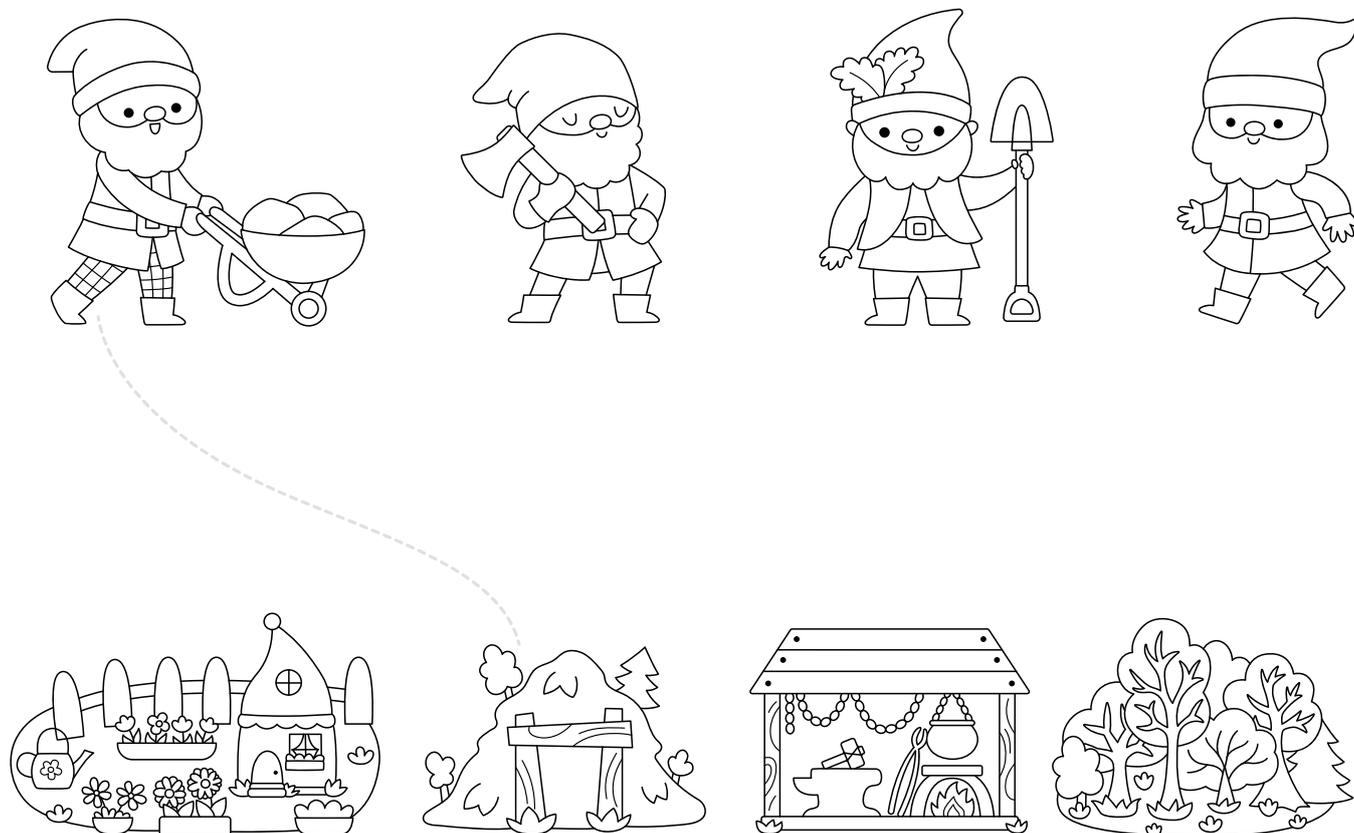

Découpe les petites cartes en bas de la page et colle-les au bon endroit dans les grilles.  
 Dans chaque ligne, chaque colonne et chaque région, une même image ne doit apparaître qu'une seule fois.

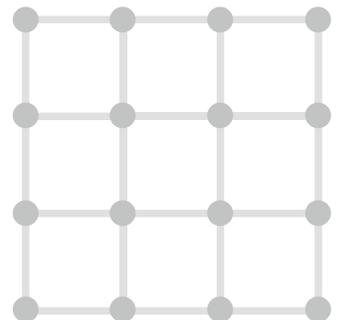

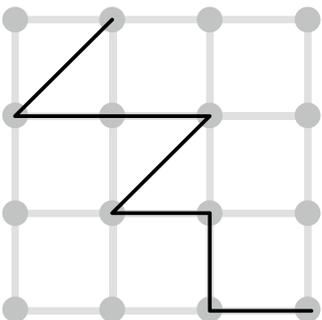

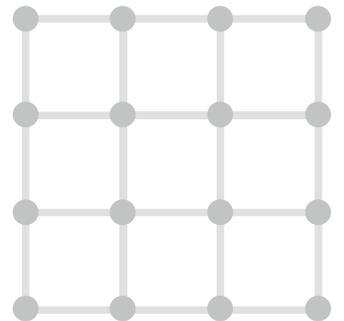

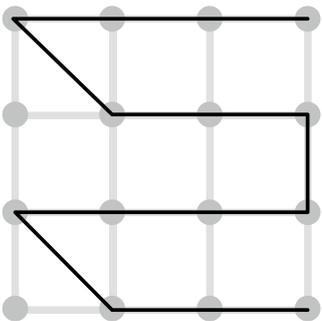

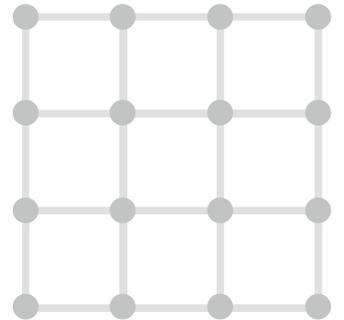

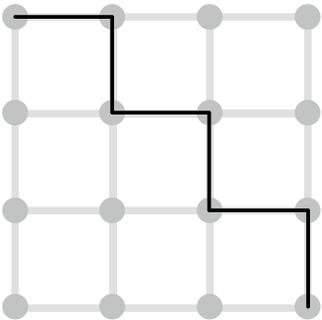

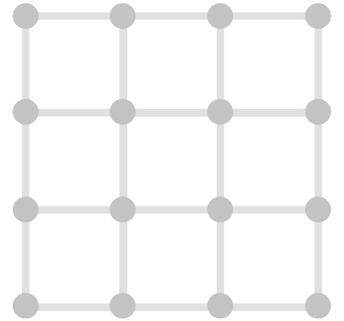

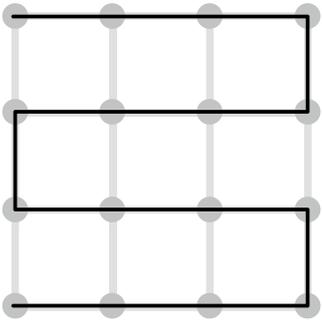

Trouve 2 nains identiques.

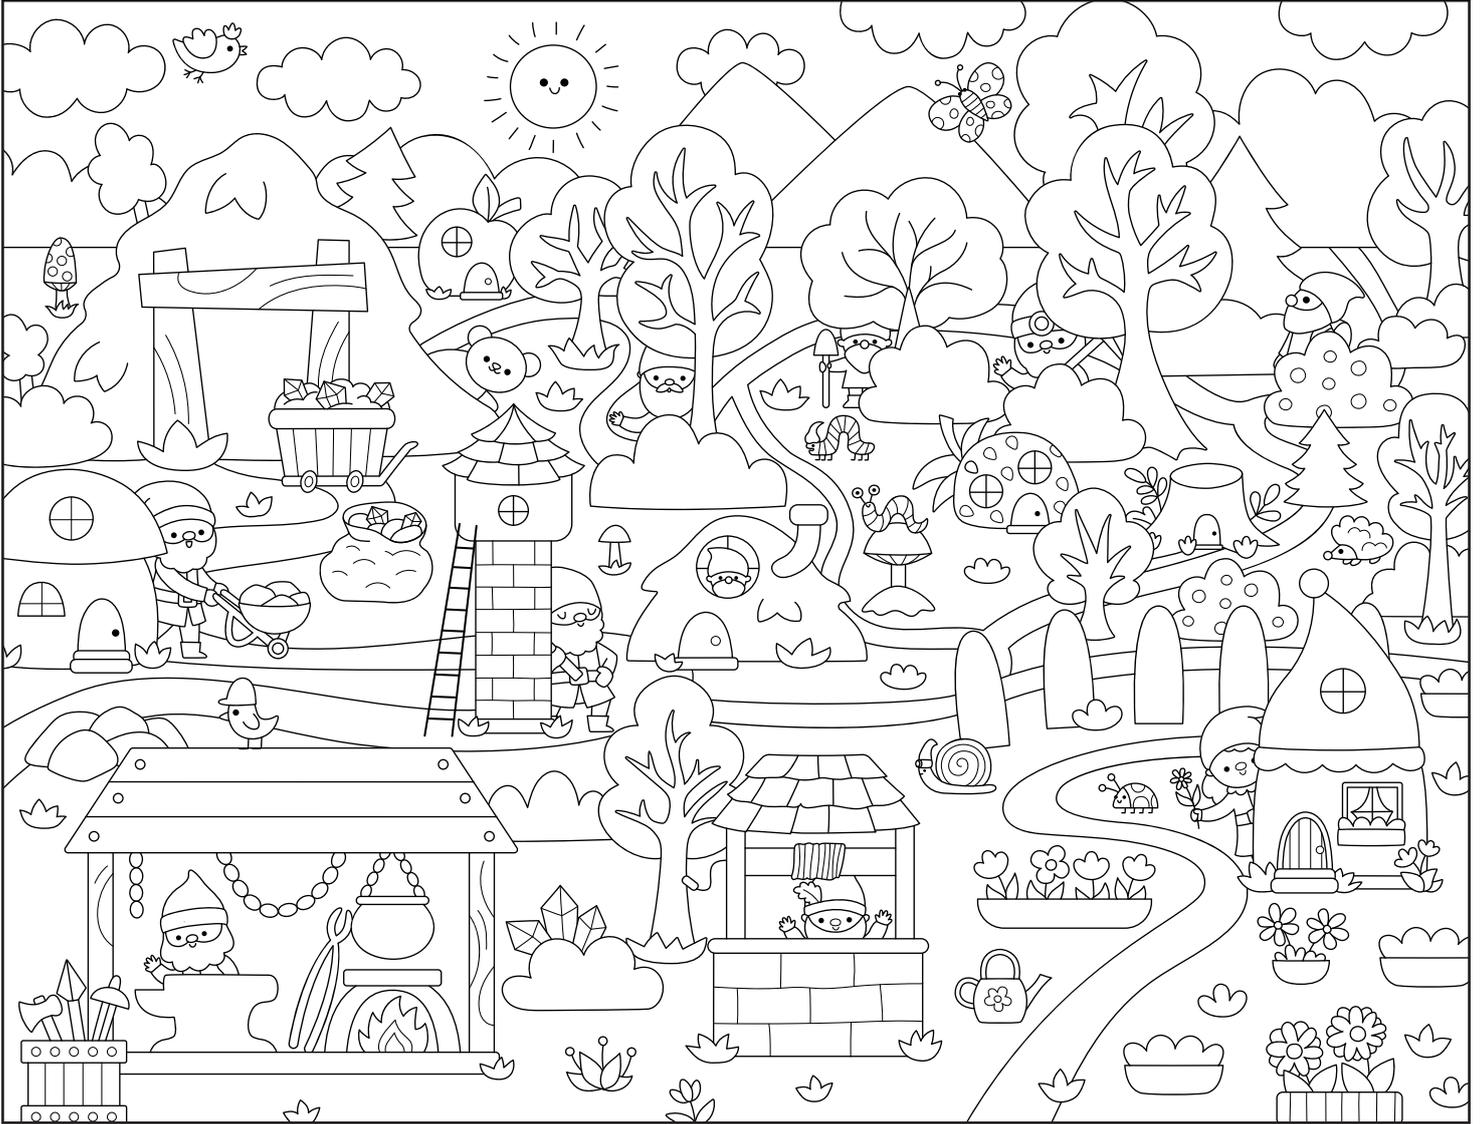

Où travaillent-ils ?

Dessine les lignes sur les grilles de droite comme sur les exemples.

Trouve 10 nains dans la forêt.
